Program Highlights:

An Anti-drug awareness program was held at Alhaz Sunai Bibi Choudhury College, Udali Bazar, Lanka, Hojai, Assam on 21.11.2025 from 11.00 a.m. onwards. The program is co-ordinated by Mr. Kudrat Ali, Assistant Professor, dept. of Education. He gave a grand speech on "Say no to Drugs and save our Lives". He said that how the consumption of drugs threatened the general lives of the young generation. So, in this respect we, the teachers, the parents and community members including the students have the utmost responsibility to prevent the young ones from this. We should keep keen eye on the students so that no one at any circumstance can exercise this kind of substance abuse in the college premise. He ensured that all the teachers would take responsibility and carry on the same task. Moreover, the Anti-Drug Committee also conducted a slogan session on drugs abuse by raising the slogan "Say no to Drug" and made a rally on the street and kept door to door anti-drug awareness campaign.

The program ended at 4.30 p.m.

Outcome:

The students were made aware about the threatening of drugs abuse. They were entrusted and ensured not to exercise this kind of activities throughout their lives. They were also motivated and ensured to prevent them and others from the life taking risk.

Objectives & Functions:

The primary goal is to promote a culture of responsibilities and wellbeing among students by preventing substance abuse. Key functions include:

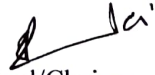

- **Awareness programmes:** Organizing seminars, workshops and induction programmes among the students to educate them about the ill-effects of drugs and alcohol, as well as the legal penalties for violation of laws.
- **Vigilance and reporting:** Maintaining a total ban on the possession, consumption or sale of drugs or alcohol within the campus and conduct regular vigilance and report.

- **Information dissemination:** Displaying anti-drug posters, banners in prominent places to reinforce the message.
- **Support and counseling:** Providing confidential support and counseling services to students who display tendencies toward substance use or are struggling with drug related issues, and connecting them with rehabilitation resources if needed.
- **Engagement activities:** Motivating students to become volunteers for anti-drug activities and organizing events like rallies, slogan contest, essay writing, and drawing completions to engage them in the cause.
- **Collaboration:** Working with local authorities and other campus clubs/units to implement effective anti-drug initiatives and submit reports of activities to relevant district level committees.

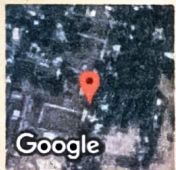

Implementation: the committee generally meets at regular intervals to discuss measures taken and plan future activities. An annual report of all activities shall might be prepared and submitted to the relevant educational/administrative authority.
