Date & time	18.11.2025, 11a.m. Onwards
Venue	Hall - 01, ASBC College
Organized by	Institutions' Innovation Council (IIC) 8.0
Name & details of the Expert	Mr. Murad Ahmed, Proprietor, North East Seven Sister Enterprise, Lanka
Nos. of faculty member Participants	13
Nos. of student Participants	70

Objective of the Event:

To honor and recognize the great contributions of entrepreneurs, fostering a culture of innovation and risk taking, promoting entrepreneurship as driver of economic growth and job creation, and inspiring individuals, especially the youth, to pursue their entrepreneurial ambitions.

Programme Highlights:

National Entrepreneurship Day was celebrated on 18.11.2025 at Alhaz Sunai Bibi Choudhury College. It started on 12.00 noon to 4.00 p.m. The session was co-ordinated by Sahab Uddin Laskar, Co-ordinator, IQAC. He gave a warm welcome to all the participants and gave a basic idea and purpose about the Day. He said that entrepreneurship is the process of starting and running one's own business, which involves identifying an opportunity, taking on financial risk and managing the organization to make a profit. It is about turning an idea into a reality by gathering resources overcoming challenges, and creating a new venture. He highlighted that

this day is celebrated to honor and recognize the great contributions of the entrepreneurs. Then the resource person Mr. Murad Ahmed, Proprietor, North East Seven Sister Enterprise, Lanka started his speech by saying that “Entrepreneurship is not a career but a path of innovation that can leave a legacy for future generations”. He said that it is the ability and readiness to develop, organize and run a business enterprise. He mentioned the stages of entrepreneurship that is the idea generation, planning and resource gathering, launch, growth and maturity or exit. The participants also shared their idea on start up, innovation and planning a entrepreneurship. The session allowed the audience to exchange their interaction with the resource person including Q&A sessions to provide students with practical guidance on innovation and start up.

Outcomes:

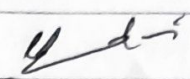

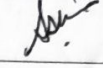

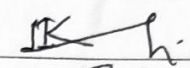

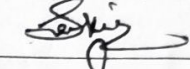

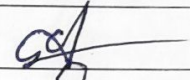

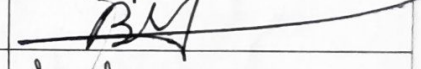

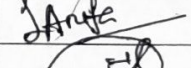

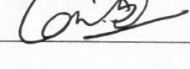

Entrepreneurship Day increased awareness of entrepreneurship’s importance, inspiration for aspiring entrepreneurs, a boost in innovation and creativity and the promotion of key skills like problem solving and resilience. It also inspires future entrepreneurs and promotes entrepreneurial values which are beneficial in any career path.
